- Bane of the Trapped — staple multiplicative damage increase. You will be proccing this gem either through its own level 25 ability, a slow (for melee builds), or by skill effects such as Thrill of the Hunt or Sentry Polar Station.
- Bane of the Stricken — almost mandatory gem for Greater Rift progression, as it is designed to whittle down the scaling health numbers of monsters with a percentage-based increase on successive attacks.
- Boon of the Hoarder — synergizing with other farming mainstays like Avarice Band and Goldwrap, this gem will not only keep you rich, but also sped up and safe during normal rift farming.
- Bane of the Powerful — the speedfarm counterpart to Bane of the Stricken, Bane of the Powerful offers a solid overall damage and survivability increase as long as your killing speed does not fall behind the timer of the gem.
