To access sd card for heroic games launcher, use this command with the path to the sdcard:

flatpak override --user --filesystem=/run/media/mmcblk0p1/
com.heroicgameslauncher.hg

(make sure it matches your SD Card address),

or use Flatseal to manage permissions of flatpacks. Start flatseal Select application to manage Scroll down in right panel to file system Add new entry and add path to sdcard without trailing slash

Find sdcard name using dolphin file manager

When installing using heroic games launcher, select other location, /run/media/sdcardname
